Living as a Confident Daughter of God: A Faith-Sharing Guide for Catholic Women by Patricia Mitchell in Books

By Patricia Mitchell - Word Among Us Press (2008)

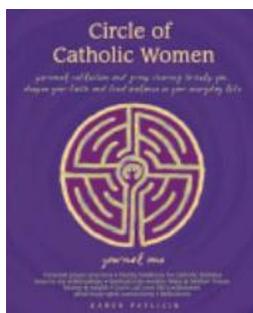

Many books are available to help women grow in self-confidence, but this sixteen-session faith-sharing guide is designed to help women grow in "God-confidence." The first eight sessions focus on growing in confidence of God's promises...among them his promises of unconditional love, grace, presence, and eternal life. The second eight sessions help women to embrace their humanity, their vocation, and their femininity and respond to God's call to work for justice and to share the good news. Like Living as a Beloved Daughter of God, the first guide in this series, the aim of this book is to help women grow closer to God and to one another.

The Women of Grace® Study Program leads women on an exciting journey to discover the gift of authentic femininity™, holiness of life, and woman's purpose and mission in the world today. Taking the Blessed Virgin Mary as their exemplar and spiritual mother participants grow in the feminine virtues and the secrets of true fulfillment.

The program takes a multi-faceted approach by exploring all aspects of the feminine person including her spirituality, psychology, emotional reality, and physical being. Participants are encouraged to begin with the Women of Grace® Foundational Study Series Phase I, Full of Grace: Women and the Abundant Life.

The Women of Grace® Foundational Study Series is presented using DVD lessons taught by Johnnette Benkovic, the book being studied, and its accompanying study guide. The study group itself becomes a "teaching dynamic" of faith-building, renewal, and conversion of heart. A sacred sisterhood is often formed within the group that leads to true, holy, and lasting friendships among the women.
