

# VOTE NO on Amendment 4

## Prayer to Defeat Florida’s Abortion Amendment

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state, and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord.  
Amen.

### **T**he Bishops of Florida, including Bishop Gregory Parkes, issued the following statement to express their opposition to Florida’s extreme Abortion Amendment.

Florida Amendment 4, which will appear on Florida’s November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain.

This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor’s abortion. \* These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment.

In doing so, we will not only protect the weakest, most innocent, and most defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition.

In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer a prayer to defeat Amendment 4 “[see above]”.

\* Florida law distinguishes between parental consent prior to a minor’s abortion (Ch. 390.01114(5), which would be invalidated by Amendment 4, and parental notice of a minor’s abortion (Ch. 390.01114(4)), which would be retained. †
